Ms Louise Casey
Department of Communications,
Energy & Natural Resources,
Petroleum Affairs Division,
29-31 Adelaide Road,
Dublin 2.

January 15th, 2020.

Dear Ms Casey,

Please find enclosed an application for approval to conduct a seabed geophysical, environmental baseline and habitat assessment site survey (K Site Survey) on SEL 1/11 in the Celtic Sea. In that regard, please find enclosed the following documentation:

1. Application for Approval to Conduct a Seabed Geophysical, Environmental Baseline and Habitat Assessment Site Survey
2. Environmental Impact Assessment Screening Report
3. Appropriate Assessment Screening and Natura Impact Statement Report.
4. Pre-Survey Fishery Assessment Report

Please confirm the Department's requirements in relation to the publication of any notices or the making available of any documents to prescribed or other parties.

We look forward to receiving the Minister's decision in due course which, we anticipate, will be made in accordance with the requirements of natural and constitutional justice in respect of all participants in the application process.

Yours faithfully,

Alan Linn

Chief Executive Officer

For and on behalf of EXOLA DAC
