Emma,

In respect to the Irish Coast Guard can you request the operator notes the following;

1.0 As per Sea Pollution (Miscellaneous Provisions) Act 2006 Part 3 Para 20 and 21 refers the operator should include in the submission

1. A risk assessment re hydrocarbon discharge should be included in submission.
2. A plan for the prevention and minimisation of any accidental discharge

2.0 Operations such as the "Ship to Ship" transfer of fuels or other HNS substances which present a hazard to the marine environment are prescribed operations within the Irish EEZ and as such require a permit for operations from the Irish Coast Guard (DTTAS).

3.0 The operator should update and advise the IRCG of the commencement and suspension or termination of survey operations offshore via the Marine Rescue Coordination Centre (MRCC) Dublin and a Radio Navigational Warning (RNW) should be promulgated via same.

Regards
Micheál O'Toole

Subject: Application for Approval to Conduct a Site Survey - Exola DAC

Dear Colleagues,

Exola DAC, a wholly owned subsidiary of Providence Resources plc, is proposing to conduct a seabed geophysical, environmental baseline and habitat assessment site survey at the Barryroe K site. I understand that Providence Plc. notified parties of this application between 15 January and 20 January 2020.

Further details on this application can also be found on the Department's website here. I would be appreciate if you have any observations on the application, if you could return them as soon as possible. If you have any questions please do not hesitate to contact me.

Kind Regards,

Emma
