Tourism Recovery Plan - Progress Report June 2021

Immediate Priority Recommendations for Survival

Supporting Business Survival

Modify existing or introduce new measures to help those tourism businesses significantly impacted by public health measures to survive the current crisis and be in a position to fast-track and contribute to a sustainable recovery, as follows:

Action	Status	Lead	Progress to date	Comments
Adjust the Employee Wage Support Scheme so that businesses struggling to retain employees can avail of the subsidy rates which applied for the Temporary Wage Subsidy Scheme based on a scale of income reduction.	Achieved	D/Finance	Employment Wage Subsidy Scheme: The Employment Wage Subsidy Scheme will be extended beyond 30 June until 31 December 2021. Current enhanced payment rates will be maintained for Quarter 3 (July, August, September) at current turnover thresholds. To benefit more firms, the time period for assessment will be broadened from the current 6 month period of assessment to a full 12 month period. In addition, for Quarter 4, the question of an employer contribution to employee wages under the scheme will be considered	**EWSS:** As of 22 July there are 50,700 Employers (621,900 employees) registered with Revenue for EWSS. The total amount of EWSS payments processed by Revenue is €4,045million. (for June 2021 accommodation and food services accounts for 18% of employers and 31% of employees) **PUP** The PUP is now closed for new applicants. Under the NERP, those receiving the payment will continue. The current rates of payment will remain in place until September 2021 and will then begin to gradually reduce until February 2022.. By Feb 2022 if you earned €400 or more - the rate of payment will be €203 per week All remaining COVID-19 Pandemic Unemployment Payment recipients will start moving to standard jobseeker's terms. ON THE 6TH July there was 54,518 claiming PUP from Accommodation and food service activities. The total number of people receiving PUP on this date was 221,088. On the 13 July this number reduced by 9,241. The largest reduction, of over 3,700, was in the Accommodation and Food Services Sector. Over €8 billion in total paid under PUP to date.

Deliver business continuity grants of €120 million to enable key strategic tourism businesses survive the crisis with a focus on those with the greatest reduction in turnover in 2020.	Achieved	D/TCAGSM Fáilte Ireland	Budget 2021: Business Continuity Grants of €55m for tourism enterprises. • Phase 1 of the Tourism Business Continuity Scheme (TBCS) closed on the 8th of March, most applications have been paid, and the finalisation of the last payments under this scheme will be complete by end of June. • Business Continuity Scheme for Strategic Tourism Transport Businesses closed on the 13th of May, good demand, payments commenced in May and are ongoing. May. • Phase 3 of the Business Continuity scheme launched in May and closed on the 24th of June, evaluation of applications has now commenced. • FI is now working on designing the next phases of the Business Continuity scheme which will be launched in July/ August. The €10million FI Ireland Based Inbound Agents Business Continuity Scheme has been completed with all payments made and extremely positive feedback from industry. The €10m FI Tourism Coach Operators Scheme has been completed with all payments made and extremely positive feedback from industry. A new additional business support scheme (Business Resumption Support Scheme or BRSS) for businesses with reduced turnover as a result of public health restrictions to be implemented in September 2021 The Government announced on 1 June that the commercial rates waiver put in place for the first half of 2021 will be extended to the end of September. It applies to eligible businesses as they adjust to the reopening of the economy and recover from a period of lower commercial activity. Businesses currently eligible for the waiver will continue to be eligible for the waiver for quarter three.	**CRSS** Total payment as of 15th July = €662m The breakdown of the claim amounts are:: Bars serving food – 16.4% (€108.7m) Bar (wet pub) – 11.3% (€74.6m) Café/ Restaurant – 15.3% (€101.4m) Hotels and Accommodation – 16.9% (€112.2m) Personal Services – 6.4% (€42m) Retail – 13.5% (€89.51m) Other – 20.2% (€133.6m) Between CRSS and the FI administered schemes, the amount allocated to tourism businesses is well in excess of the €120M in the recommendation. On 1st June, the Government announced that the CRSS will be continued to the end of 2021 for those businesses that are still directly affected by public health restrictions that may remain in place. The qualification criteria will remain unchanged, and will apply to companies, self-employed individuals and partnerships who carry on a trade or trading activities, the profits from which are chargeable to tax under Case I of Schedule D, from a business premises located in a region subject to restrictions introduced in line with the Living with Covid-19 Plan. An enhanced Restart Payment is being introduced for businesses availing of CRSS who can re-open from 2nd June. They will be eligible to claim an enhanced restart payment of three weeks at double rate of payment paid in one 'restart week payment' as they exit the scheme. The statutory maximum payment will be increased from €5,000 per week to €10,000 per week for this restart payment. This means that businesses opening from 2nd June will receive a maximum of €30,000 restart payment calculated

			Phase 4 and 5 of the Strategic Tourism Business Continuity Scheme will open for application on 5th August and close on 17th Sept. Phase 4 will support eligible visitor attractions and outdoor activity operators, including tourism golf courses and boat tour operators. Phase 5 will apply to eligible Fáilte Ireland approved tourism accommodation providers such as hotels, guesthouses, hostels, holiday camps, caravan and camping parks, self-catering and B&Bs. The maximum grant amount is €800,000.	with reference to the average weekly turnover of the business in 2019. The BRSS will be introduced in September 2021 for businesses whose turnover is reduced by 75% in the reference period (1 September 2020 to 31 August 2021) compared with 2019. The BRSS will be administered by Revenue and will operate in a similar way to CRSS.
Extend and modify the Covid-19 Adaptation Fund by €30 million to facilitate flexibility, such as increased outdoor dining capacity, in the context of the Living With Covid Plan.	In Progress	D/TCAGSM Fáilte Ireland	On the 31st March Fáilte Ireland launched a €17 million Outdoor Dining Enhancement Investment Scheme. The Scheme comprises two parts, the 'Outdoor Seating & Accessories for Tourism & Hospitality Businesses' and the 'Weatherproofing and Outdoor Dining Infrastructure Enhancement Scheme'. The first part of the scheme, to be administered by the individual local authorities, is Outdoor Seating & Accessories for Tourism & Hospitality Businesses. The focus of this scheme is to provide a level of financial support to tourism and hospitality businesses, in our town centres, to purchase or upgrade equipment to provide additional outdoor seating and, therefore, increase their outdoor dining capacity for the summer of 2021. The second part of this scheme, the Weatherproofing and Outdoor Dining Infrastructure Enhancement Scheme, will provide capital funding to local authorities for direct investment in weatherproofing and enhancement of public outdoor dining infrastructure. On the 7th April Fáilte Ireland launched The Urban Animation Capital Investment Scheme which is a new pilot Capital Grants Scheme for Local Authorities. The scheme will support the sustainable development of public realm and urban animation projects that have the potential to transform and re-imagine urban centres for visitors and transform the destination.	The Department of Transport has announced a new €15 million 'Additional Outdoor Infrastructure Fund' to help ensure a Safe Outdoor Summer. The Department of Rural and Community Development recently launched a €14 million Outdoor Recreation Infrastructure Fund which focuses on rural areas, i.e. on areas outside of our cities and towns/villages. That Department will also shortly launch the 2021 Town & Village Renewal Scheme which will support enhancements of the public realm and greater vibrancy in our town centres in a manner which complements the funding noted above. The initial Covid Adaptation Scheme closed for applications on 24/12/20 and all payments have been issued. Closing date for the Weatherproofing and Outdoor Dining Infrastructure Enhancement Scheme for Local Authorities closed on the 28th May. Failte Ireland are currently evaluating and seeking clarification on applications.

			Both the Weatherproofing and Outdoor Dining Infrastructure Enhancement Scheme and The Urban Animation scheme will work in a complimentary and balanced way to the DTCASGM Outdoor Public Space Scheme and the Fáilte Ireland Destination Town Scheme already in progress. The Outdoor Seating & Accessories Scheme was extended to include all 'non food serving pubs'. From the 14th June applications opened via the local authority websites. The closing date will be the 30th September 2021.	
Invest €50m Exchequer funding in 2021 to be combined with a €100m credit facility from ISIF to create a €150m Tourism specific loan scheme to be jointly administered by Fáilte Ireland and ISIF to allow long term viable but short term vulnerable tourism businesses to survive until demand returns	Not Started	D/Finance		The COVID-19 Credit Guarantee Scheme facilitates up to €2 billion in lending to eligible businesses that have been negatively impacted as a result of the outbreak of COVID-19 in Ireland. The Scheme offers a partial Government guarantee (80%) to participating finance providers against losses on qualifying finance agreements to eligible SMEs, small Mid-Caps and primary producers. The COVID-19 Credit Guarantee Scheme operates under the State Aid Temporary Framework introduced in response to COVID-19. This is currently scheduled to remain in place until 31 December 2021.

Introduce a €10 million programme of professional development supports with strong digital content to keep those laid off or on reduced working hours engaged in the tourism sector to ensure that skilled workers are available	Partially Achieved	Fáilte Ireland D/TCAGSM	Budget 2021: Funding of €2 million provided for focused upskilling training to support business survival and recovery in the sector, and for the improvement of the digital presence and e-commerce capability of tourism businesses. YTD 2021 delivered a total of 3,438 Training Days to 2,800 Staff in 1,000 Businesses	€225 million investment in further and higher education and research under NRRP announced on 1 June. The investment will include a skills package for upskilling and reskilling with a focus on digital skills. As part of the skills package, the Skills to Compete programme will be expanded for people who have

to drive the recovery in the sector.			**Main areas of Business Supports** • Finance Planning & Restructuring • Business Mentoring 1:1 • Strategic Leadership Programme • HR – Retention and Legal compliance • Demand Creation (Sales and Marketing) • Digital Optimisation • Domestic Market repivoting • Sales – Saleable Experiences/Pricing & Contracting • F&B Lean Operations – Food Waste Over **85,000 Business**es have accessed the Business Supports Hub with Webinar, Expert advice & FAQ'S. With the top viewed Webinars on Finance and HR & Re-Opening Guidelines Budget of €6m capital provided from budget 2021 for FI to invest in the digital footprint and capabilities of industry. Audit of initial 1551 businesses completed to access their digital maturity. Expression of interest is currently live to recruit industry into the programme. Expect to deliver 300-400 interventions to industry in H2 of year 1. Will include areas such as online bookability, connected distribution, website development and operational efficiencies via connected systems.	lost their jobs as a result of the pandemic, where their jobs are unlikely to return.
Re-Establishing International Access				
Action	**Status**	**Lead**	**Progress to date**	**Comments**
Facilitate the resumption of overseas tourism into Ireland as soon as is practicable and in line with public health guidance by identifying and communicating a targeted reopening date.	In Progress	D/Health D/Taoiseach	From the 19th July new advice and rules for international travel came into effect in Ireland. Inbound travel without quarantine is possible for EU citizens who are vaccinated, recently recovered or with evidence of a negative RT-PCR result from a test taken within 72 hours prior to arrival into the country.	ROG Report submitted to Minister on this (11 May) and brought to Cabinet. Children between the ages of 12 and 17 will be required to have a negative RT-PCR test taken within 72 hours prior to arrival to travel into the country,

			A similar regime applies for third countries, not subject to an "emergency brake" mechanism (quarantine still applies in cases of negative PCR tests).	unless they have valid proof of vaccination or recovery. Children of any age, travelling with accompanying vaccinated or recovered adults will not be required to self-quarantine post arrival. However, where one accompanying adult needs to self-quarantine, then all children must also self-quarantine.
The removal of the period of quarantine for arrivals and its replacement by a comprehensive, rapid test, track and isolate (TTI) system or a system more facilitative for inbound tourism.	In Progress	D/Health D/ Taoiseach	From the 19th July new advice and rules for international travel came into effect in Ireland. Inbound travel without quarantine is possible for EU citizens who are vaccinated, recently recovered or with evidence of a negative RT-PCR result from a test taken within 72 hours prior to arrival into the country. A similar regime applies for third countries, not subject to an "emergency brake" mechanism (quarantine still applies in cases of negative PCR tests).	Quarantine still applies in some instances for non-EU travellers.
Government should actively develop and fully commit to the forthcoming EU 'traffic light' system that aims to open up international travel across Europe.	In Progress	D/FA D/Taoiseach	From the 19th July new advice and rules for international travel came into effect in Ireland. Inbound travel without quarantine is possible for EU citizens who are vaccinated, recently recovered or with evidence of a negative RT-PCR result from a test taken within 72 hours prior to arrival into the country. A similar regime applies for third countries, not subject to an "emergency brake" mechanism (quarantine still applies in cases of negative PCR tests).	
Strengthening Marketing Investment				
Action	**Status**	**Lead**	**Progress to date**	**Comments**
Increase domestic marketing spend from €10m to €30m in 2021 to drive demand for home holidays throughout the year.	In Progress	Fáilte Ireland D/TCAGSM	Fáilte Ireland – New 'Keep Discovering' marketing campaign will launch on May 24 to promote tourism amongst domestic & NI consumers. Campaign will particularly promote areas most in need of support across summer months – including Dublin, Cork city & Limerick. This will be supported by significant sales promotion campaigns and a Covid Safety Charter campaign.	Overall budget allocated by Department to Fáilte Ireland maintained in Budget 2021.

Double the overseas tourism marketing fund from €47m to €94m to help protect Ireland's existing brand position internationally and kick-start the recovery in inbound tourism. Evidence shows that early and increased investment following previous downturns yielded significant market share gains for Ireland.	In Progress	Tourism Ireland D/TCAGSM	Tourism Ireland are considering when to launch the next phase of its marketing campaign. A decision will be made soon around the timing of the "Green Button Campaign This will deliver a very clear 'book now' message to prospective international visitors and will single-mindedly drive visitor numbers back to Ireland.	Overseas marketing budget maintained in Budget 2021. In addition, over €7m savings carried over into 2021 meaning an effective 16% increase.
Promoting Competitiveness				
Action	**Status**	**Lead**	**Progress to date**	**Comments**
Reduce VAT rate for tourism and hospitality sector from 13.5% to 9% with immediate effect.	Achieved	D/Finance	Economic Recovery Plan (June 2021): As part of ongoing support for the sector, the lower tourism VAT rate of 9% introduced in Budget 2021 will be extended until 1st of September 2022.	ROG recommended extension of reduced rate in February report.
Introduce legislation and regulatory measures to increase supply and reduce the costs of insurance. These should inter-alia include protecting businesses from unwarranted and excessive claims through re-defining 'occupiers' duty of care, revising guidelines on levels of claims, and acting quickly on any CCPC recommendations to enhance competition in the sector.	In Progress	D/Finance	8 Dec: The government published the first Action Plan for Insurance Reform, with actions across Government to make Ireland's insurance sector more competitive and consumer-friendly, supporting enterprise and job creation. Budget 2021: Cabinet Sub-committee on Insurance Reform referenced – chaired by the Tánaiste. Sub group on Insurance reform established within the Cabinet Committee on Economic Recovery and Investment (CCERI). A number of activity providers are not able to open currently as they have lost insurance cover due to their provider withdrawing from the Irish market post Brexit. Additionally, Fáilte Ireland has worked with IAAT to help them establish a group scheme for activity providers which will be a significant enabler of this sector that has struggled with insurance availability	The six monthly report on the Action plan was released on 6th July. Of 66 actions 34 have been completed and a further 21 are scheduled to be completed this year. Among the principal actions delivered under this Plan, the Personal Injuries Guidelines have been adopted and commenced. The office to promote competition has been established. Legislation to strengthen the laws on perjury has been passed by the Oireachtas. https://www.gov.ie/en/publication/c1619-action-plan-for-insurance-reform-implementation-report-july-2021/

			and cost to secure long term competitive insurance cover. This scheme goes live from Q2 2021. FI are working to see if this scheme can help those particular businesses that are now without an insurance provider.

Strengthen Fáilte Ireland's Careers Oversight Group and formalise a relationship with the Department of Further and Higher Education, Research, Innovation and Science to ensure programme development and coordination of tourism education and training.	In Progress	Fáilte Ireland D/TCAGSM	A review of the Tourism & Hospitality Careers Oversight Group collaborative framework is complete. Members have agreed to implement review recommendations. 21 Jun 2021: D/TCAGSM and Failte Ireland met with the Department of Further and Higher Education, Research, Innovation and Science to initiate discussion re Tourism Recovery Taskforce Recommendations. It was agreed that a sub group of the Tourism & Hospitality Careers Oversight Group would be set up and led by the Department of Further and Higher Education, Research, Innovation and Science (D/FHERIS). The group will consist of officials from D/FHERIS and D/TCAGSM with a Fáilte Ireland representative, to review the relevant Tourism Recovery Taskforce recommendations under "Enhancing Sustainable Employment" and progress actions arising. It was noted that involvement and collaboration with industry would enhance the above action.	19 Apr 21: Minister for Further and Higher Education, Research, Innovation and Science, Simon Harris, and Minister of State for Skills and Further Education, Niall Collins launched the Action Plan for Apprenticeship 2021-2025 The Action Plan sets out a five year strategy to deliver on the Programme for Government commitment of reaching 10,000 new apprentice registrations per year by 2025. The plan provides a roadmap to a single apprenticeship system and new supports for employers and apprentices. The Apprenticeship Incentivisation Scheme is extended until 31st Dec.

			The Minister requested, and it was agreed, that the following items be considered in the work of the sub-group: - Recognised Prior Learning - Skills to Advance - Apprenticeships - Skillnet (Climate/Green) The Minister asked that the sub-group report back to him and Minister Martin with recommendations by the end of August 2021 to support considerations for budget 2022.	Employers who are approved by SOLAS to employ apprentices are eligible for a €3,000 payment for each new apprentice registered. A sum of €2,000 per apprentice is paid to eligible employers following the registration of apprentices, with a further €1,000 payable after one year for each apprentice retained on their apprenticeship. 12 July – New Pathways to work strategy 2021 - 2025. The high level ambitions are : • Reduce long term unemployment • Reduce the youth unemployment • Improve labour market transitions • Ensure better labour market outcomes for all There is 83 commitments which include the following: • Launch a new paid Work Placement Experience Programme to benefit 10,000 jobseekers. • Offer 50,000 further education and training place opportunities. • Pay employers a subsidy of €7,500 - €10,000 when they recruit an unemployed jobseeker
Develop National Tourism Education Gateway as a one stop shop access to education for all tourism employees.	In Progress	D/FHERIS	May 2021: A feasibility study has been competed for FI, which included a consultation process, based on the proposal "Building capability for a new Tourism World – an Irish Perspective". The research, requisitioned on behalf of the Tourism and Hospitality Careers Oversight Group reviewed the suitability of the proposal, recommend options to initiate and implement a Tourism Education Gateway (including resources/relevant agencies/budget, timelines etc.), and proposed governance structure.	The feasibility study concludes that the TEG proposition is feasible but needs more structure and definition. The study recommended that a small project team led by the relevant department prepare a detailed case making plan The deliverable from this stage should be a document setting out the final detail - shape, function, and form - of the TEG Proposition.

Ensure consistency in terms of quality and content of education and training provided by education providers engaged in the tourism sector in consultation with industry to meet adapting needs and trends.	Not Started	D/Education	It was agreed that a sub group of the Tourism & Hospitality Careers Oversight Group would be set up and led by the Department of Further and Higher Education, Research, Innovation and Science (D/FHERIS). The group will consist of officials from D/FHERIS and D/TCAGSM with a Fáilte Ireland representative, to review the relevant Tourism Recovery Taskforce recommendations under "Enhancing Sustainable Employment" and progress actions arising. - It was noted that involvement and collaboration with industry would enhance the above action. - The Minister requested, and it was agreed, that the following items be considered in the work of the sub-group: - Recognised Prior Learning - Skills to Advance - Apprenticeships - Skillnet (Climate/Green) - The Minister asked that the sub-group report back to him and Minister Martin with recommendations by the end of August 2021 to support considerations for budget 2022.	??????????? bk.. A Temporary Incentive Scheme to be immediately introduced by all airports and ports in Ireland to incentivise additional traffic.	Partially Achieved	D/ Transport	In late 2020, Government agreed an €80m funding package for Aviation to be disbursed in 2021. This includes €32.1m in capital and operational supports for Cork and Shannon Airports under a new Covid-19 Regional State Airports Programme and €21.3m in funding for a new Regional Airports Programme 2021-2025 (published 4 Feb 2021), which will support the airports Knock, Kerry and Donegal. Capital funding applications under both of these programmes have been assessed and allocations are expected to be announced by the Minister shortly. Airports will also be invited to apply for operational supports, under these programmes, later this year. As part of the package, Government also provided €26m to help address liquidity issues at Irish airports as a result of Covid-19. Associated aid measures, which were approved by the Commission on 24 February, will provide compensation to State airports (approx. €20m) for damage caused by Covid in 2020. This funding will provide State airports with flexibility to roll out route incentives/charge rebates, in consultation with airlines, with a view to supporting recovery and growth of connectivity at the appropriate time. Up to €6m is also being made available to regional airports that provide connectivity (Knock, Kerry and Donegal) under the EU's Temporary Framework on State aid measures. Eligible airports have recently been invited to apply for funding under these Commission approved measures.	Minister of State at the Department of Transport, Hildegarde Naughton T.D., announced on the 16th July, a provision of over €23 million in direct Exchequer supports to the airports of Dublin, Cork, Shannon, Ireland West (Knock), Kerry and Donegal. Of this amount, €20 million is being provided to State airports – Dublin, Cork and Shannon – in line with a measure under Article 107(2)(b) of the Treaty of the Functioning of the European Union (TFEU) The remaining €6 million is being provided, in two phases, to the airports of Ireland West, Kerry and Donegal under sections 3.1 and 3.12 of EU's Temporary Framework for State aid measures to support the economy in the current emergency of COVID-19. **Airport Proposed Funding** Dublin 17,680,000 Ireland West 1,931,709 Cork 1,400,000 Shannon 920,000 Kerry 913,665 Donegal 142,342 **Total 22,987,716** On 19th April under the COVID-19 Regional State Airports Programme 2021. Over €11m was allocated to regional airports. Almost €4.8 million has been allocated to the airports of Donegal, Ireland West (Knock) and Kerry under the Regional Airports Programme 2021-2025 and over €6.3 million has been allocated to Shannon Airport

state owned natural, cultural and heritage assets.				
As part of the development of the proposed National Outdoor Recreation Strategy Government should introduce new measures to facilitate access to public and private lands.	Commenced	D/ RCD	A National Outdoor Recreation Strategy is currently being developed by Comhairle na Tuaithe (The Countryside Council) in conjunction with the Department of Rural and Community Development. The strategy will provide a vision and an overarching framework for the growth and development of outdoor recreation in Ireland, creating a shared approach for the many strategies, programmes, agencies and elements in Ireland's outdoor recreation sector. There is a two-stage consultation process whereby interested stakeholders and individuals are encouraged to share their views on outdoor recreation. Stage 1 This stage closed on 23rd June. Stage 2 When a draft Strategy has been prepared, there will be a call for feedback on the document later this year.	
Invest in a small number of major international festivals and events which will act as a demand driver for both domestic and overseas tourism.	In Progress	Fáilte Ireland/ D/TCAGSM	St. Patrick's Festival 2021 was held virtually, supported by the tourism agencies and D/TCAGSM and featuring content which can be used as a demand driver in overseas markets. Fáilte Ireland and Dublin Destination Recovery Taskforce working on new Winter Festival Proposition for Dublin. With vaccine rollout underway and test event planned, Failte Ireland are hoping to support the festivals planned for Sept – Dec.	Various Culture, arts, music, dance, entertainment and sports events are having pilot events. Failte Ireland are working with the festivals in their portfolio from Sept – December to support them as motivators for visitors. Failte Ireland are working with DCC to expand and enhance the Winter Lights programme and develop it as a large-scale festival. The 2021 festival will be a motivator for people to visit Dublin in Nov/Dec

Establish a Department led steering group to oversee the development of a Global Invitation Programme (the Year of the Invitation) to stimulate additional international demand. The programme should ideally incorporate six to ten large scale events capable of attracting significant international audiences.
