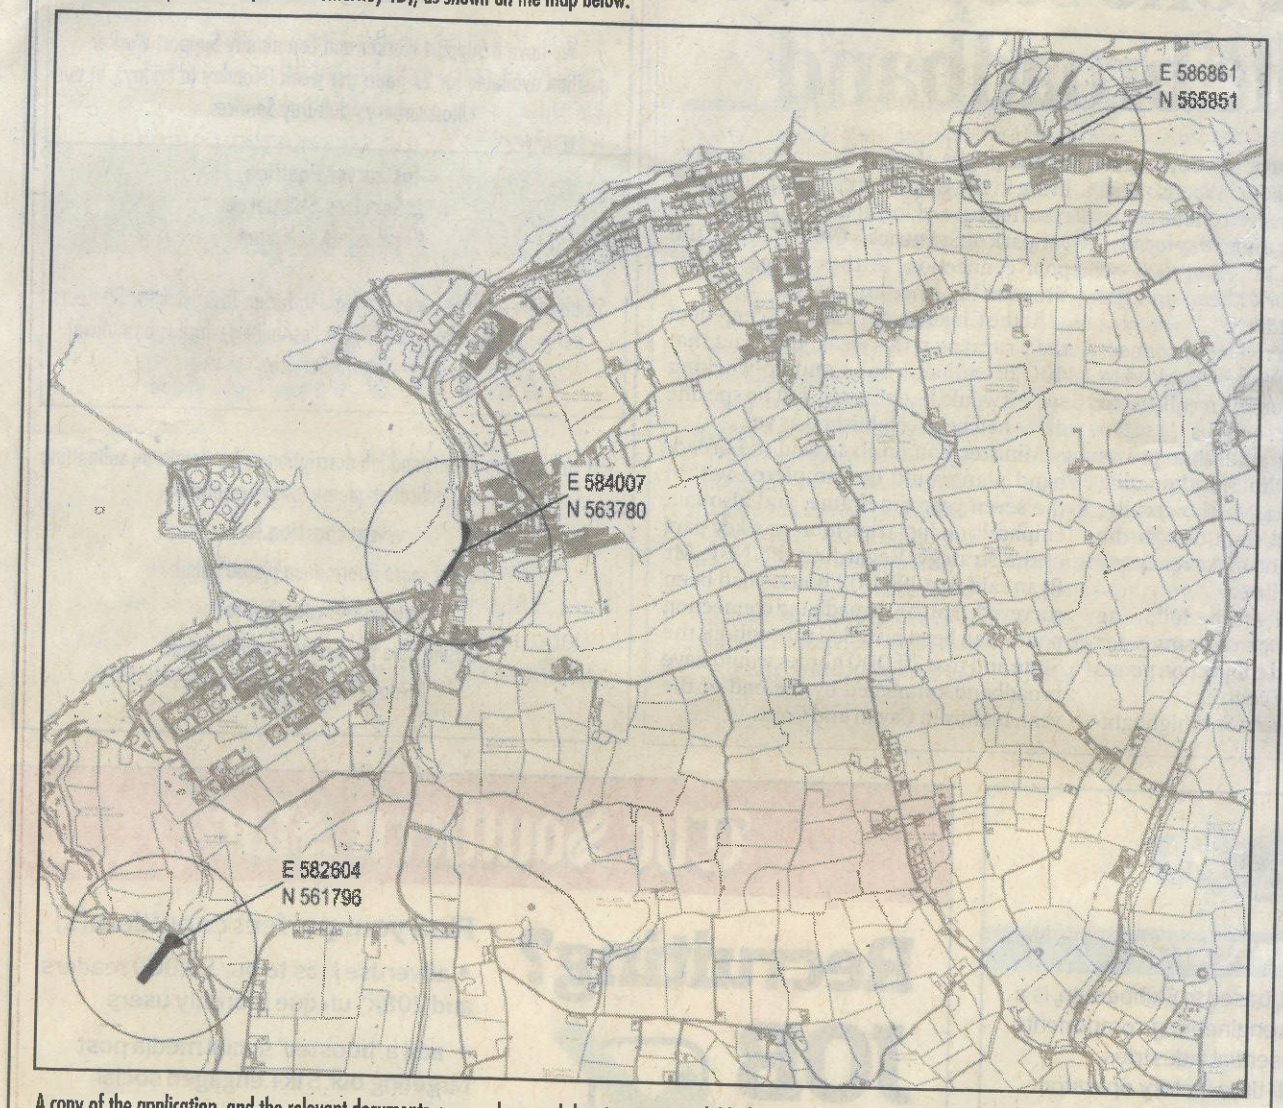
PUBLIC NOTICE

APPLICATION FOR A FORESHORE LICENCE

Notice is hereby given pursuant to Section 19 of the Foreshore Act, 1933 that Irish Water, Colvill House, 24-26 Talbot Street, Dublin 1 has applied to the Minister of Housing, Local Government and Heritage for a Foreshore licence under Section 2/3 of the said Act for the Whitegate-Aghada Sewerage Scheme at Whitegate and Aghada, Co. Cork, for works comprising a Waste Water Treatment Plant (WWTP) and associated infrastructure including sewer network upgrades, 3 No. Wastewater Pumping Stations and a marine outfall.

The foreshore licence application relates to works at and adjacent to White Bay (Glanagow TD), Whitegate (Mosestown TD and Corkbeg TD) and the Thomas Kent Memorial Park, Rostellan (Knockanemarney TD), as shown on the map below:



A copy of the application, and the relevant documents, maps, plans, and drawings, are available for inspection, between 7 April 2021 and 6 May 2021, free of charge at:

- Cork Co. Co. Planning Office, Planning Department, Ground Floor, County Hall, Carrigrohane Road, Cork
- Midleton Garda Station, Midleton, Co. Cork

In light of National Level 5 Covid-19 restrictions Regulations published under the Health Act 1947 (Statutory Instrument No. 448 of 2020) have identified planning-related activity within the schedule of what is considered to be 'essential services' in order to ensure the continued and safe operation of all aspects of the statutory planning system. The Regulations permit a person to attend the offices of a planning authority or An Bord Pleanála to engage in a statutory planning process. There is no specified restriction on the distance that persons engaging in a statutory planning process, may travel.

The documentation is available on the Department's website
https://www.gov.ie/en/foreshore-notice/43d64-foreshore-notice-fs007027/

Any person who wishes to make an objection to, or a representation in respect of the grant of the lease/licence sought as part of this public consultation should do so in writing, giving reasons, between 7 April 2021 and 6 May 2021 (quoting ref: FS007086) to the Marine Environment and Foreshore Section, Department of Housing, Local Government and Heritage, Newtown Road, Wexford, Co. Wexford or foreshore@housing.gov.ie. The closing date for submissions is close of business (17.30) on 6 May 2021.

All objections and representations received will be forwarded to the applicant for comment prior to any decision being made in the matter. Material upon which the Minster shall determine this application may be published on the Department's website. In this regard the Department wishes to draw attention to its policy on defamatory material that may be contained in submissions it receives, which may be found at:
http://www.housing.gov.ie/planning/foreshore/public-participation-foreshore-consent-process

Hospitality firms can seek 'outdoor' grants

HOSPITALITY businesses are invited to apply for funding this month to develop their outdoor public dining spaces to increase seating capacity.

The Government and Fáilte Ireland have announced details of a new €17m scheme for developing outdoor dining capacity nationwide.

The first part of the scheme, is open to individual tourism and hospitality businesses including hotels, cafes, restaurants and attractions where food is sold for consumption on the premises.

Applicants can apply for a grant of up to €4,000 to cover costs for outdoor tables, chairs, umbrellas, electric heaters, screens/windbreaks, plant-stands and wooden platforms. Expenditure must be incurred between 1st April 2020 and 30th September 2021 and the scheme will open for applications on April 12th through local authority websites.

Part two of the scheme covers weatherproofing and outdoor dining infrastructure. Each local authority can apply for up to €200,000 for a maximum of two locations for permanent robust and design appropriate weatherproofing structures, including parasols, electric heaters, wind breakers/screens.

Ludgate's Down to Earth Easter camp is for horticulture fans

A HORTICULTURE camp for eight to 14-year-olds is being delivered by Ludgate this Easter.

Called 'Down to Earth' it will take place virtually from April 6th to the 9th.

Among the issues covered include: identification of plants, uses of plants and why we grow what we grow, propagation, design and modern ideas within horticulture, such as environmentalism and sustainability.

The camp will be a split format and delivered online. An introduction to the day's session will take place in the morning and a feedback session in the afternoon.

Attendees will also receive 'A Beginners Guide to Ireland's Wildflowers' pocket book.

These and other resources including seeds will need to be collected from the Ludgate Hub on Townshend Street in advance of the course.

The cost is €30 per child and it will run from 9.45 am 4pm

For more information or to reserve a space conact kieran@ludgate.ie

Come Eir! Broadband answers sought

BY JACKIE KEOGH

A NON-descript reply from Eir infuriated Cllr Joe Carroll (Ind).

He said the letter – in which the company outlined its positive attributes – did nothing to address the question that was asked of them.

Councillors at a meeting of the Western Committee complained that Eir was being rolled out in some areas, while others in the same locality were left without a service.

'What we wanted to know is why this is happening,' said Cllr Carroll, who mentioned Glandore as an example of one location where some people are well connected but others are not.

'What we want is answers about the way they were distributing their service around West Cork,' said Cllr Carroll.

Ted O'Leary, deputising for the director of environment, said the Council's role is to provide local support to the roll out of national broadband and smoothing over local obstacles and regulatory hurdles. Cllr Carroll requested that another letter be sent to Eir, asking for 'clarification.'

Bantry Bay
PREMIUM SEAFOODS

PRODUCTION MANAGER

Due to continued expansion, we are seeking candidates for the role of Production Manager.
As a dynamic and innovative, award-winning Irish food producer we are looking to hire a Production Manager to work in our high-volume BRC regulated food processing facility.
