Where possible they will be made available at Pallasgreen Garda Station and Bruff Garda Station 24/7; Limerick County Council Offices; Geological Survey Ireland, Booterstown Hall, Booterstown, Co Dublin, A94 N2R6 and the address below.

Submissions to the renewal of the licence should be made within **30 days** of the date of this Notice. Submissions can only be made by either posting them to the Geoscience Regulation Office at the address below or by using the online submissions form www.gov.ie/gsroSubmissions. The Minister reserves the right to make details of the submissions available to the applicant in order to fully consider their validity.

NB: A prospecting licence entitles the holder to explore for mineral deposits and **does not authorise mining of any minerals**. The activities permissible under a licence are in general non-invasive and of minimal environmental impact. The Minister has assessed the exploration programme proposed by the Company and has determined that the activities are not likely to have a significant effect on the environment.

Decision on specific prospecting activities

The Minister has assessed the exploration project proposed by the company and has determined that the activities are not likely to have a significant effect on the environment.

Company Glencore Zinc Ireland Ltd

PLA **2530**

Activity

Mineral exploration consisting of desk studies, geophysical surveying, and drilling.

Environmental Considerations

Desk studies and geophysical surveying are temporary, non-intrusive activities, involving minimal disturbance and with a limited zone of influence. The activity is not likely to have a significant effect on the environment. If the activity is undertaken at or in the vicinity of a Natura 2000 site, the activity will be subject to a separate screening assessment.

If diamond drilling is undertaken, this activity will be subject to a separate screening assessment.

European Sites Determination

1. Lower River Shannon SAC (Site Code 002165)

A screening determination has been carried out for the project. Particular attention has been paid to the European Sites listed above.

It has been determined that the project does not have the potential for significant effects on any European Site and the activities are not likely to have a significant effect on the Natural Heritage Area (NHA) or proposed Natural Heritage Areas (pNHA) listed below.

There are no NHAs or pNHAs within or adjacent to the licence.
