Declaration

In consideration of an application under the National Reserve and/or Young Farmers Scheme submitted under the above herd number, in order to meet the criteria set out in Art 49(1)(b) of EU Regulation 639/2014 in terms of establishing the "effective and long term" control exercised by the Young Farmer who is not operating as a sole head of holding please note the following:

We do declare that with effect from ___/_____/___(Date) _____ (Young Farmer) exercises effective and long term control either solely or jointly over the farming entity for which the National Reserve and/or Young Farmers Scheme Application is being submitted. This control extends to decisions surrounding the management, benefits and financial risks associated with the farming entity for the purposes of the duration of the application for payment under the National Reserve and/or Young Farmers Scheme. We further declare that we have familiarised ourselves, and are fully compliant, with the Terms and Conditions of the National Reserve and/or Young Farmers Scheme.
