Part II : Certification

II. Health information

II.1. Animal health attestation

I, the undersigned official veterinarian, hereby certify that the racing pigeons(1) described in this certificate:

II.1.1. come from the third country or territory or zone thereof indicated in Box I.7 or Box I.8 from where the Member State of destination indicated in Box I.9 has accepted their introduction in accordance with Article 230(2) of Regulation (EU) 2016/429 of the European Parliament and of the Council;

II.1.2. come from the establishment indicated in Box I.11 approved by the competent authority of the third country or territory of origin or zone thereof, in accordance with requirements which are at least as stringent as those laid down in Article 56 of Commission Delegated Regulation (EU) 2020/692 and:

(a) the approval of which has not been suspended or withdrawn;

(b) which is under the control of the competent authority of the third country or territory of origin and has a system in place to maintain and to keep records, in accordance with Article 8 of Delegated Regulation (EU) 2020/692;

(c) which receives regular animal health visits from a veterinarian for the purpose of the detection of, and information on, signs indicative of the occurrence of diseases, including the relevant listed diseases referred to in Annex I to Delegated Regulation (EU) 2020/692 and emerging diseases, at a frequency that is proportional to the risk posed by the establishment;

(d) which was not subject to national restriction measures for animal health reasons, including for the listed diseases referred to in Annex I to Delegated Regulation (EU) 2020/692 relevant for the species and emerging diseases, at the time of dispatch of the animals to the Union;

(e) within a 10 km radius of which, including, where appropriate, the territory of a neighbouring country, there has been no outbreak of highly pathogenic avian influenza or infection with Newcastle disease virus for a period of at least 30 days prior to the date of loading for dispatch to the Union;

(f) in which the vaccination against infection with Newcastle disease virus is carried out.

II.1.3. have not been vaccinated against highly pathogenic avian influenza;

II.1.4. have been vaccinated against infection with Newcastle disease virus with vaccines that comply with both the general and specific criteria set out in point 1of Annex XV to Delegated Regulation (EU) 2020/692;

II.1.5. are not to be killed under a national programme for the eradication of diseases, including the listed diseases referred to in Annex I to Delegated Regulation (EU) 2020/692 relevant for the species and emerging diseases;

II.1.6. are loaded for dispatch to the Union on (dd/mm/yyyy)(2) in a means of transport which:

(a) is constructed in such a way that:

(i) animals cannot escape or fall out;

(ii) visual inspection of the space where animals are kept is possible;

(iii) the escape of animal excrements, litter, feed or feathers is prevented or minimized;

(b) contain only captive birds of the same species coming from the same establishment;

(c) was cleaned and disinfected prior to loading with a disinfectant authorised by the competent authority of the country or territory of origin.

Notes:

This animal health certificate is intended for entry into the Union of racing pigeons to be immediately relased with the expectation that they will fly back to the third country or territory of origin or zone thereof indicated in Box. I.7 or Box. I.8.

SPECIMEN

**Country**

**Part II : Certification**

II. Health information

In accordance with the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community, and in particular Article 5(4) of the Protocol on Ireland/Northern Ireland in conjunction with Annex 2 to that Protocol, references to European Union in this animals health certificate include the United Kingdom in respect of Northern Ireland.

This animal health certificate shall be completed in accordance with the notes for the completion of certificates laid down in Chapter 4 of Annex I to Commission Implementing Regulation (EU) 2020/2235.

Part I:

Box I.12: The location, in the Member State indicated in Box I.9, from where the racing pigeons will be released.

Box I.27: Description of consignment

"CN code": use the appropriate Harmonised System (HS) code of the World Customs Organisation: 01.06.31, 01.06.32 or 01.06.39.

"Identification system": The animal must be individually identified by means of a unique marked closed leg-ring or an injectable transponder in accordance with Article 53 of Delegated Regulation (EU) 2020/692.

Part II:

(1) 'Racing pigeons' as referred to in Article 62(2) of Delegated Regulation (EU) 2020/692.

(2) The date of loading must not be a date prior to the one when the Member State of destination indicated in Box I.9 accepted the introduction of the racing pigeons in accordance with Article 230(2) of Regulation (EU) 2016/429.
