**Subject:** Support for a return can/bottle/plastic bottle system

**CAUTION:** This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Moving to Ireland in 2021 I can only support a return system. Growing up in Denmark I have never known of not paying a bottle deposit as I bought a soda water beer in the supermarket and then getting the money back when I returned the bottle. During my life the system has expanded to include drink can and drink plastic bottle and it continues to work super well in DK.

Implement as soon as possible

Thanks and kind regards
