**Re: Statement of Compliance regarding FS006909 – Foreshore Licence Application for Broadmeadow Way
Greenway, Co. Dublin**

Dear [REDACTED]

The enclosed document prepared by Fingal County Council's appointed engineering and planning consultants RPS describes the compliance review undertaken of the Broadmeadow Way Greenway against the requirements of the National Marine Planning Framework (NMPF). It concludes that the Broadmeadow Way Greenway project is compliant with the overall objectives of the NMPF and its associated Planning Policies. Fingal County Council concurs with the report's conclusions.

Yours sincerely,

[REDACTED]
Senior Engineer, Planning & Strategic Infrastructure
