## **8. Potential Risk Factors**

The Office operates a formal Risk Management policy and maintains a Risk Register and, in accordance with the Department of Finance Guidelines, this is updated on an ongoing basis. The maintenance of the Register ensures that risks are identified and assessed and necessary mitigating actions are, where resources allow, put in place.

Reflecting the key priorities of the organisation, the main potential risks to the achievement of targets set out in this Agreement at the time of writing are:

- As the window for classification becomes ever shorter, IFCO have to ensure client deadlines are met. To this end IFCO will examine feasibility of product being delivered online rather than physical DVDs.
- With the recruitment of a new team of classifiers from April 1 2017, it will be imperative to have any newly appointed persons trained as quickly as possible to ensure continuity of quality service.
- As the viewing public increasingly uses downloadable product, which is not subject to IFCO legislation, the Office must be strident in our efforts to demonstrate the value of IFCO certs as a valuable trust mark for our business clients.

## **9. Flexibility and Amendment of Targets**

Where amendments become necessary, both parties will engage to agree on amended targets.

## 10. Monitoring Arrangements

In accordance with the Department's policy on the monitoring of governance arrangements in relation to the organisations within its remit, the Office will meet with the Department twice yearly, or more frequently if required by the Department, to provide an update on developments and achievement of targets as set out in this Agreement.

The Office undertakes to return:

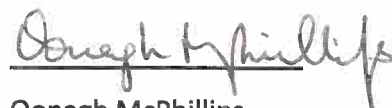

- (a) relevant and appropriately detailed performance information to allow for monitoring of this agreement;
- (b) relevant and appropriately detailed performance information for inclusion in the Revised Estimates for Public Services volume; and
- (c) performance information in line with the set of such indicators, and in keeping with the timeframe, agreed with the Department of Justice and Equality.
